

Report on the Celebration of World Environment Day 2026 at Biswa Bangla Biswabidyalay, Bolpur

Date: 05 June 2026

Venue: Biswa Bangla Biswabidyalay, Bolpur

Time: 9:30 A.M.

Biswa Bangla Biswabidyalay, Bolpur, celebrated World Environment Day on 05 June 2026 with great enthusiasm and a strong commitment to environmental conservation. The programme commenced at 9:30 A.M. and was chaired by the Hon'ble Vice-Chancellor, Prof. Dr. Abu Taleb Khan.

The programme was conducted by Dr Prabhakar Thapa, a guest faculty from the Department of Geography. The Guest of Honour for the occasion was Mr. P. K. Mukherjee, President of the Santiniketan Tagore Philosophy Campaigning Society. The event was attended by the Registrar of Biswa Bangla Biswabidyalay, CMA Ashutosh Das, Mr. Sudeep Dhara, Special Law Officer of the University, faculty members from various departments, office staff, and students.

The programme began with the dignitaries' welcome and felicitation. On behalf of the University, a memento was presented to Mr. P. K. Mukherjee in recognition of his generous donation of saplings for the plantation programme organised as part of the celebration.

Following the felicitation ceremony, the Hon'ble Vice-Chancellor delivered the welcome address. In his speech, he highlighted the theme of World Environment Day 2026, "**Now for Climate**", and emphasized the urgent need for environmental protection and sustainable practices. He shared valuable insights on the importance of preserving nature and adopting environmentally responsible behaviour to ensure a better future for the coming generations.

The Guest of Honour, Mr. P. K. Mukherjee, addressed the gathering and spoke eloquently on the significance of trees in maintaining ecological balance. He underscored the vital role of afforestation and community participation in environmental conservation.

Thereafter, the Registrar delivered his address, stressing the importance of environmental conservation and the collective responsibility of individuals and institutions to safeguard natural resources and promote sustainability.

The formal programme concluded with a Vote of Thanks followed by the National Anthem.

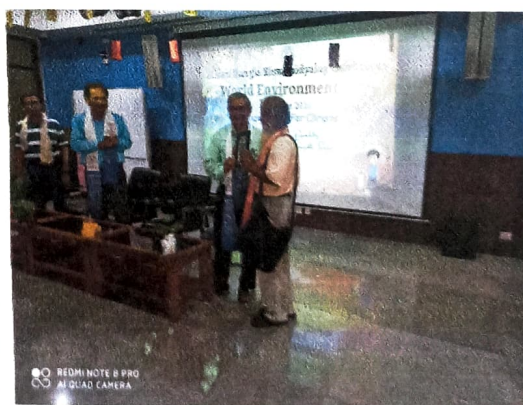

Subsequently, all participants participated in a tree-planting programme on and around the University premises. Approximately twenty different varieties of trees were planted during the event. The participants collectively pledged that these trees would not merely be planted but would also be adopted and nurtured to ensure their proper care, growth, and survival.

The celebration successfully reinforced the message of environmental stewardship and inspired the University community to actively contribute to a greener and more sustainable future.
