REPORT ON THE OBSERVANCE OF THE 157TH BIRTH ANNIVERSARY OF MAHATMA GANDHI

Biswa Bangla Biswabidyalay, Bolpur, Birbhum, West Bengal

Date: 02.10.2026

In pursuance of Notification No. BBB/Reg/Notification_Gandhi_Jayanti/2026/1276, dated 01.10.2026, issued by the Office of the Registrar, Biswa Bangla Biswabidyalay, the 157th Birth Anniversary of Mahatma Gandhi (Gandhi Jayanti) was observed on 02 October 2026 (Friday) at the University Amphitheatre.

The programme was organised with the objective of commemorating the life, ideals and enduring contributions of Mahatma Gandhi, while also promoting the values of cleanliness, discipline, simplicity, truth, non-violence and social responsibility among the members of the University community.

Commencement of the Programme

The programme commenced at 8:30 A.M. in the presence of the Hon'ble Vice-Chancellor, Prof. Abu Taleb Khan, faculty members, officers, non-teaching staff and students of Biswa Bangla Biswabidyalay. The programme was conducted by Dr. Prabhakar Thapa.

The programme began with the rendition of Vande Mataram, creating an atmosphere of patriotism and reverence. This was followed by the ceremonial lighting of the lamp in front of the portrait of Mahatma Gandhi. The Hon'ble Vice-Chancellor, along with other dignitaries and members of the University community, offered floral tribute to Mahatma Gandhi as a mark of respect and remembrance.

Address by the Hon'ble Vice-Chancellor

The Hon'ble Vice-Chancellor, Prof. Abu Taleb Khan, chaired the programme and addressed the gathering. In his speech, he reflected upon the life, philosophy and enduring relevance of Mahatma Gandhi.

The Hon'ble Vice-Chancellor highlighted Gandhi's message of simplicity, high thinking, truth, non-violence, self-discipline and service to society. He emphasised that Gandhi demonstrated through his own life that meaningful social transformation does not necessarily require material resources or authority, but rather strong moral conviction, knowledge, discipline and a commitment to the welfare of others.

He further observed that Gandhiji's philosophy of "*simple living and high thinking*" continues to remain relevant in contemporary society, particularly at a time when individuals and institutions are increasingly confronted with challenges relating to environmental degradation,

social inequality, intolerance and unsustainable lifestyles. He encouraged the students to draw inspiration from Gandhi's ideals and to translate them into practical actions in their personal, academic and social lives.

The Hon'ble Vice-Chancellor also stressed the importance of cleanliness as a collective responsibility. He stated that maintaining a clean environment should not be viewed merely as a governmental or institutional responsibility, but as a duty of every citizen. He called upon all members of the University to actively participate in cleanliness initiatives and to develop a sustained culture of cleanliness and environmental responsibility within the campus.

Inauguration of "Swachhata Hi Seva" Initiative

Following his address, the Hon'ble Vice-Chancellor inaugurated the University's cleanliness initiative under the "Swachhata Hi Seva" campaign.

While inaugurating the initiative, the Hon'ble Vice-Chancellor urged all faculty members, officers, non-teaching staff and students to participate actively in maintaining the cleanliness and environmental quality of the University campus. He emphasised that cleanliness is closely connected with public health, environmental sustainability, dignity of labour and responsible citizenship.

He encouraged the University community to make cleanliness a regular practice rather than limiting it to a particular day or campaign. His message emphasised that a clean campus reflects the collective discipline, responsibility and civic consciousness of its members.

Cleanliness Drive

Following the inauguration, a cleanliness drive was conducted across the University premises. Faculty members, officers, non-teaching staff and students participated enthusiastically in the initiative.

The participants cleaned different areas of the University campus and removed accumulated waste and litter from the premises. The activity served not only as a practical cleanliness initiative but also as an exercise in collective responsibility and community participation.

The participation of the University community reflected the spirit of "Swachhata Hi Seva", reinforcing the message that cleanliness and environmental responsibility are shared duties.

The observance of the 157th Birth Anniversary of Mahatma Gandhi at Biswa Bangla Biswabidyalay was conducted with due solemnity and enthusiasm. The programme provided an opportunity for the University community to remember Gandhi's contributions and reflect upon the continuing relevance of his ideals of truth, non-violence, simplicity, self-discipline, service and cleanliness.

The subsequent Swachhata Hi Seva cleanliness drive gave practical expression to Gandhiji's philosophy of cleanliness and social responsibility. The active participation of the University community demonstrated its commitment towards creating and maintaining a clean, healthy and environmentally responsible campus.

The programme concluded with the rendition of the National Anthem, following which the participants continued the cleanliness initiative across the University premises.
