### Note for Supplementary Candidates

If you are appearing for a **Supplementary Examination**, please pay close attention to the course codes listed on your admit card.

For the 2026 session, supplementary exams follow the **400-series** coding (401, 402, 403, 404, and 405). These exams are held on the same dates and at the same times as the regular courses (e.g., Code 401 is held alongside Code 41). Ensure you write the correct course code on your answer script to avoid any administrative delays in processing your results.
