NOTIFICATION

Sub: Protection of Plants and Beautification of the University Campus

It has come to the notice of the University Administration that some flowering plants and other ornamental plants, which have been planted inside and outside the University campus as part of the campus beautification initiative, are being uprooted, damaged, or their leaves and flowers are being plucked without permission.

All students, Guest Faculty members, teaching and non-teaching staff, officers, research scholars, and all members of the University community are hereby informed that no one shall touch, pluck, uproot, prune, or otherwise damage any plant, flower, leaf, or tree within the University campus without prior permission from the competent authority.

Everyone is requested to cooperate in maintaining and preserving the greenery and aesthetic beauty of the University campus. Any violation of this instruction will be viewed seriously and appropriate action may be taken as per University rules.

This notice is issued with the approval of the competent authority.
