About University

Established in 2020, Biswa Bangla Biswabidyalay is a state-aided public University under the Government of West Bengal. Modelled on the ideals of Gurudev Rabindranath Tagore, this University with futuristic facility wishes to provide world-class outcome-based education to students as well as make them deeply conscious and respectful about their roots and cultural heritage of India. Located at Bolpur, this budding university has the potential to be one of the best in terms of infrastructural facilities and ideals of vision.

Vision

The immediate goal is provide world-class facilities to local students who can compete with the best in the world. We are committed to provide them an environment so that they can have a transformative educational journey in the arts and sciences and to become future leaders. Our hope is to fuel innovation and connect the scientific knowledge with social needs and to accelerate purposeful and positive impact in the world.

Mission

1. The University will offer largely an outcome-based education that will be interdisciplinary, diverse and form a foundation for critical and innovative thinking.
2. Students will be offered and encouraged to choose coursework from across disciplines, with guidance to form his or her own path in the academic journey.
3. Technology will underpin everything that we do. The lectures and materials will be made available digitally. Students from India and abroad will be able to attend selective classes virtually. Regular and highly talented teachers/scholars from India and abroad as adjunct/visiting faculties will provide the best possible teaching, guiding research and motivate the students to achieve more.
4. Sports facility and Yoga will allow students to improve their physical health and nurture their mental well-being.
5. Dynamic Festivals/music/drama/literature will keep the University campus vibrant and the community engaged.
